

## State of Nebraska License

You must have a State of Nebraska license if you are an Electrician (journeyman and apprentices), Construction Wireman, or a Construction Electrician.

Online application for first time applicants:

[https://www.nebraska.gov/sed/license\\_application/index.cgi](https://www.nebraska.gov/sed/license_application/index.cgi)

If your license has or will expire, you can renew at:

<https://www.nebraska.gov/sed/renewals/renew.php>

Please send a copy of your new State of Nebraska license to Shawna ([shawna@ecoo.com](mailto:shawna@ecoo.com)). Any questions, please call the office 402-346-1881.

## City of Omaha Registration

You must have a City of Omaha registration if you are an Electrician (journeyman and apprentices), Construction Wireman, or a Construction Electrician.

**\*\*You must have your State of Nebraska license before you can get your City of Omaha registration.**

By Mail:

Fill out the City of Omaha Application for Electrical Registration and return the completed application and fee to City of Omaha. Note that you will need to include your current State of Nebraska license with this application.

Online:
